

TIME TO SAY FAREWELL TO YOUR LOCAL MLA.

Under Proportional Representation, Vancouver will decide everything for all of BC.

Proportional Representation will lead to a Vancouver-centric government that only cares about Vancouver issues. How is that fair?

The Pro Rep Illusion - Does Proportional Representation make every vote count? Not at all.

It will move the entire power base of the government to where the population is. Proportional Representation will strip rural communities of their locally-elected MLA. This will eliminate any voice BC's small communities have in government.

This is not fair to our province. Vote [#NoBCProRep](#)

This fall, BC voters will be forced to participate in an unnecessary referendum on Proportional Representation. This mail-in vote will decide the future of BC's electoral system. Our current way of voting has provided our province with reliable, steady governance for more than 100 years. Let's keep our electoral process simple, stable and successful by voting NO to Proportional Representation.

To vote you must be:

- A Canadian citizen
- 18 years or older as of November 30th, 2018
- A resident of BC for at least six months prior to November 30th, 2018

You'll receive your mail-in ballot package in October

Voting packages should be completed and returned by November 30th

ELECTORAL PROCESS
