Under Proportional Representation, the rise of backroom deals and political posturing is inevitable.

The Pro Rep Illusion - Is Proportional Representation more democratic? Not at all!

With Proportional Representation, MLAs will get chosen from a list of party insiders, not by YOU the voter. How much less democratic can it get than that?

This fall, keep our electoral process simple, stable, and successful.

#NoBCProRep

This fall, BC voters will be forced to participate in an unnecessary referendum on Proportional Representation. This mail-in vote will decide the future of BC's electoral system. Our current way of voting has provided our province with reliable, steady governance for more than 100 years. Let's keep our electoral process simple, stable and successful by voting NO to Proportional Representation.

To vote you must be:

- A Canadian citizen
- 18 years or older as of November 30th, 2018
- A resident of BC for at least six months prior to November 30th, 2018

You'll receive your mail-in ballot package in October

Voting packages should be completed and returned by November 30th
